

Electronic Project Data Access Request Form

As an Interested Party, I am requesting access to the available Project Documents in an Electronic format for the following project.

Project: Mellon Arena As-Builts
Owner: SEA

I acknowledge that these files will **only** be provided by accessing a password controlled internet hosting site (ftp or other) as designated by the Owner's Representative. I also acknowledge that these files will **only** be provided in pdf format and that any file conversion(s) required to make them compatible with my computer system(s) are my sole responsibility. I will assume all responsibility for maintaining the security of my login id and password that is provided to me for the purpose of allowing access to the hosting location of the electronic project data files.

I acknowledge and agree to the Cautionary Statement included below as it applies to the electronic project document files for which this request is intended.

Signed: _____ Date: _____

Print Name: _____ Company: _____

Email Address: _____

- Must be an individual email account of the signed above. For security purposes, no company, department, or group email accounts are allowed.

Cautionary Statement

The drawings, specification or other documents presented I this electronic media are provided for convenience only and are INSTRUMENTS OF THE OWNER. No party receiving this electronic media is thereby granted rights to reuse this information for any other project, except for those rights (if any) provided to that party by contract with the Owner.

Because electronic media can deteriorate or be easily modified inadvertently or otherwise without authorization of the Owner, by using this electronic media, the user ASSUMES THE RISK of using this information. The use also ASSUMES THE RISK that the documents reflected in the electronic media may become outdated or superseded.
