

Project Purpose & Need Statement Exercise

Ranking	Basic Criteria	How You Interpret this Criteria
	A - Affordability	
	B - Compatible with Planning	
	C - Community Cohesion	
	D - Community Interaction	
	E - Connectivity	
	F - Economic Development	
	G - Enhancement	
	H - Preservation	
	I - Social Services Accessibility	
	J - Sustainability	
	K- Other (specify)	

Directions: Please provide an Importance Ranking from “most” to “least” important using 1 -11, respectively. Place your appropriate selection in the column to the left of the basic criteria. Do not use the same number more than once. Also, please indicate, in the right column, issues you attribute to each basic criteria to assist in review and summarization of your Rankings.

Example:		
4	E - Connectivity	<i>I feel it is important to remove barriers between the Hill and central business district.</i>
