

June 11, 2020

PITTSBURGH, PA (June 11, 2020) The City of Pittsburgh Department of Mobility and Infrastructure advises that Chatham Street between Bigelow Blvd. and Center Ave. will be closed, daily, as needed, from 9AM-6PM starting Saturday, June 13, 2020 through Sunday, July 12, 2020.

The restriction is necessary to allow the contractor to stage the crawler crane that will be used during erection operations on the Abutment 1 (I-579 SB) side for the “CAP Project”. On street parking will not be available during this timeframe.

Traffic will be detoured along Bigelow Blvd/Webster Ave. to Washington Place, and then to Centre Avenue. When travelling through the work area, use caution and expect delays.

The work is being performed by JB Fay Co., If you have any questions concerning this closure, please contact their Project Manager, Chuck Grabner, at 412-779-8354.
