

PITTSBURGH, PA (September 4, 2020) The City of Pittsburgh Department of Mobility and Infrastructure advises that Chatham Street between Bigelow Blvd. and Center Ave. be closed, daily, as needed, from 7:00AM-5:30PM starting Monday, September 14, 2020 through Thursday, October 15, 2020.

The restriction is necessary to allow the contractor to complete essential utility work associated with the “CAP Project”.

Traffic will be detoured along Bigelow Blvd/Webster Ave. to Washington Place, and then to Centre Avenue. When travelling through the work area, use caution and expect delays.

The work is being performed by JB Fay Co., If you have any questions concerning this closure, please contact their Project Manager, Chuck Grabner, at 412-779-8354.
