

## **Policy for use of PNC Park, Heinz Field, and PPG Paints Arena tickets**

Pursuant to the PNC Park lease (section 5.8), Heinz Field lease (section 5.8) and PPG Paints Arena sublease (section 5.10), the SEA has reserved to the right to the use of a suite and field tickets at each venue. The tickets and the use of suites are property of the SEA, as owner of the facilities, by terms of the applicable lease/sublease. The following sets forth the policy of the SEA for the use of these assets, in conjunction with the use of the assets by the County, the City and the Commonwealth.

It is the intent of the SEA that the assets be used primarily to further economic development opportunities, promotion and marketing of the region, marketing of the Convention Center, support of community and non-profit organizations, other usage in furtherance of the SEA operations, and limited use by public officials responsible for the SEA's facilities or the region's development, consistent with their oversight functions. The policy is set out with the understanding that each year different opportunities may present themselves that would be accommodated, and that adjustments in usage may be necessary to assist governmental and economic development agencies in fulfilling their missions. At the beginning of each sports season letters will be sent to the City, County, Commonwealth, VisitPittsburgh, the Allegheny Conference on Community Development and the Greater Pittsburgh Chamber of Commerce advising each of them of the availability of the suites/tickets and this policy. Non-profits requesting tickets must do so in writing, stating the purpose of the use and proof of non-profit status, for evaluation by the Executive Director's office. Non-governmental users of a suite are required to sign a release agreement. The Authority will endeavor to make available to organizations serving the military, veterans and youth groups any tickets left uncommitted shortly before the day of the event. Food and beverage costs in suites are the sole responsibility of the party using the suite. Subject to any adjustments as may be necessary in furtherance of this policy, the following general allocations are anticipated:
