

Activated Carbon Removal & Replacement at the David L Lawrence Convention Center

The Sports & Exhibition Authority will receive pricing for the removal and replacement of the activated carbon in the Waste Water Treatment Plant at the David L Lawrence Convention Center. Inquiries regarding this opportunity should be made to Lucas Kistler, Director of Facility Services, E-mail: lkistler@pittsburghcc.com, Phone: 412-325-6179. There is no formal bid for this project. For details on the scope of work and/or to arrange a site visit, please contact Lucas Kistler.

General Scope: This project requires the removal of 4000 pounds of activated carbon from the facility, and the reloading of the empty vessels with re-activated carbon.

Written pricing will be due at 2:00PM on September 1, 2023.

Quotes should be submitted via email to lkistler@pittsburghcc.com.
